PUT THE YAMHILL SOIL AND WATER CONSERVATION DISTRICT TO WORK FOR YOU!

If you have a concern about the natural resources on your property, we can help. We are non-regulatory - we are only interested in helping you. All of our services are provided free of charge.

We offer technical assistance with managing:

- Mud & manure
- Soil erosion
- Areas near streams, creeks, and rivers
- Pastures
- Livestock watering
- Fertilization of crops and pastures
- Riparian fencing
- Riparian buffers
- Invasive weeds
- Well protection
- Irrigation water

- Weeds
- I am interested in promoting wildlife habitat for the Fender's Blue Butterfly

Comments

A rectangular comment box with a thin black border. The interior is white. On the right side, there is a vertical scroll bar with four small square buttons: an upward arrow, a solid square, a downward arrow, and a solid square. The bottom edge features a horizontal scroll bar with a checkered pattern, a left arrow button, and a right arrow button.
