### Yamhill SWCD Definitions:

**"A" List Weeds** - a weed of known economic importance which occurs in the county in small enough infestations to make eradication/ containment possible; or is not yet known to occur, but its presence in neighboring areas makes future occurrence in the county seem imminent.

**"B" List Weeds** - a weed of economic importance which is regionally abundant, and needs to be controlled where found.

**"T" List Weeds** - a priority noxious weed designated by the Oregon State Weed Board as a target weed species on which the Department of Agriculture will implement a statewide management plan. This Category is WATCH ONLY for Yamhill County.

Agric. - Denotes weed as primarily a problem for agricultural production.
